# Kids Place Instructions

Download Kids Place from Google Play (Market)

Click on the Kids Place icon.
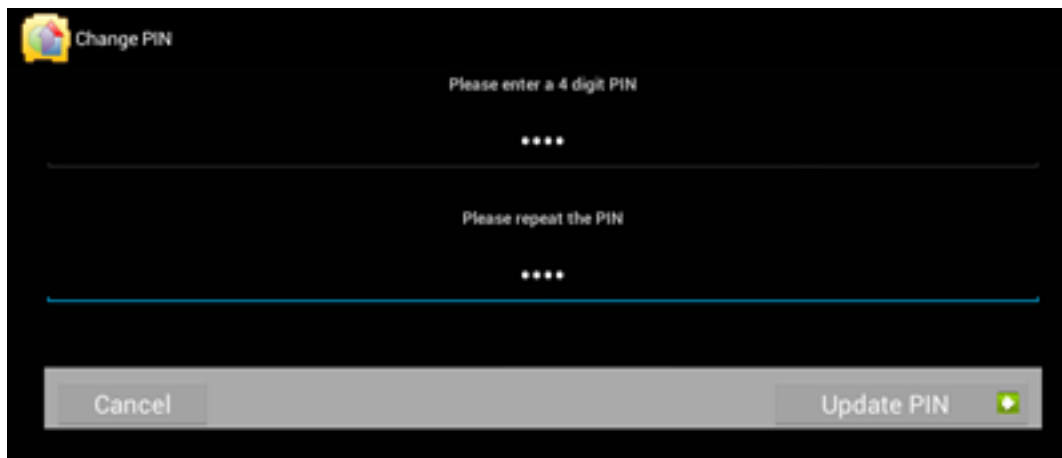

Accept the license.

Enter a 4 digit pin number (twice – second one underneath)

rupertcollins.com
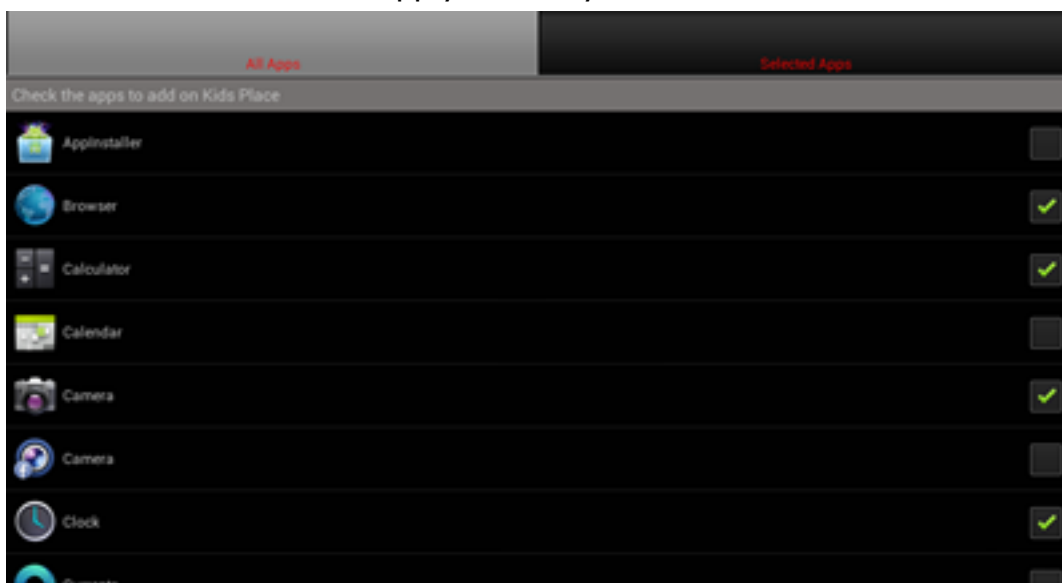

Click on Update PIN

Click on 'Select Apps for Kids Place'

Click in the boxes beside the app you want your child to access.
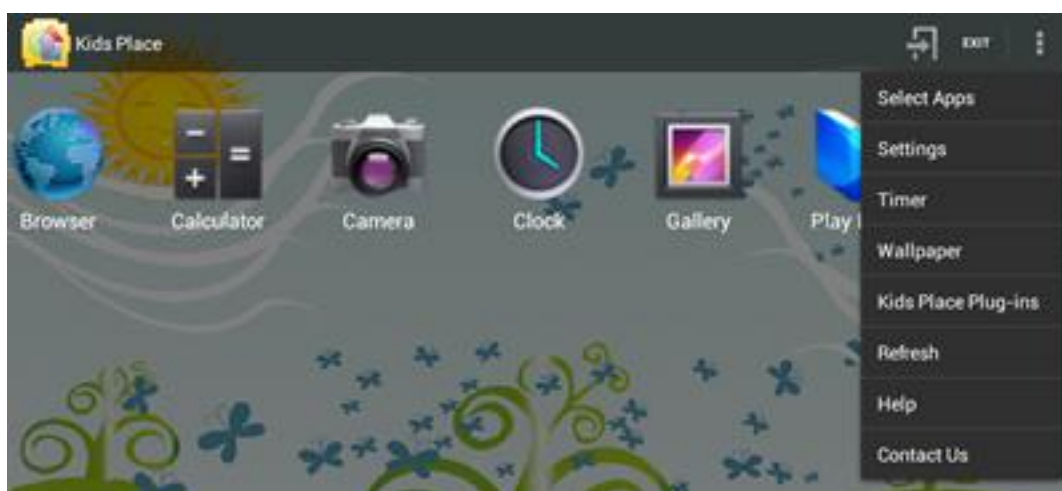

rupertcollins.com

Once you have finished selecting the apps click on the back button (bottom left of screen)

Click on the 3 dots (top right of the app)

Select 'Settings' from the list that appears
You will be asked to put in the 4 number pin.
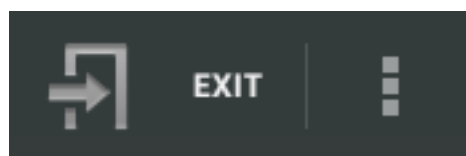

rupertcollins.com

In the list that appears click in the box beside 'Lock home button'.

Click on the 'Lock Home Button', this appears. Make sure the box beside 'Use by default for this action' is tick and click on Kids Place.

This will lock the Android device so that your child only stays within Kids Place and can only use the apps within it.

You can leave Kids Place by clicking on EXIT. You will be asked to put in the 4 number pin.

To reactivate Kids Place click on the app.
