Response time

Usually immediate, especially when contact is via mobile phone.

If not immediate, within 24 hours, except when Rupert is on holiday when schools will be able to leave messages. All schools will be informed when these holidays are taken. Typical holiday times: 2 weeks in the summer, 1 week around Christmas, 1 week around Easter.

You will also have the option to buy in extra time at the Partnership rate. You can upgrade to the full Partnership with Schools package at any point. This will be limited to a small number of places in order to provide the expected level of support.
